Why Young Mozart?

- **Small, Intimate Class Sizes:** Skip the overwhelming, chaotic experience of overcrowded group classes. With a strict limit of only 6 students per session, we maintain a calm, focused environment. This ensures your little one is guaranteed plenty of personalized attention to truly thrive and engage with the music.
- **An Experienced Teacher Who Cares:** Our wonderful teacher, Ms. Jeanette, doesn't just absolutely love kids—she also brings years of professional teaching experience to the classroom! She seamlessly blends her musical expertise with endless joy and patience to make every single class engaging and fun.

- **Flexible Enrollment:** Say goodbye to rigid semesters. Our flexible 7-week cycles kick off as soon as we reach our minimum registration, and you can even join mid-cycle! This flexibility is perfect for busy families juggling unpredictable schedules.
- **The Perfect Foundation for Private Lessons:** Group classes provide a natural, seamless introduction to music. Plus, group students unlock an **extra free lesson**—in addition to our standard free trial—if they ever decide to transition to 1-on-1 lessons with us later. (see policies below).
- **Convenient Location:** We are conveniently located in the Tano Mall. Run your errands at Lotte or Dollar Tree, or grab a relaxing cup of coffee before or after class!
